MCDOWELL COUNTY,  
Plaintiff,

v.

MCKESSON CORPORATION,  
AMERISOURCEBERGEN DRUG  
CORPORATION, CARDINAL HEALTH  
INC., and HAROLD ANTHONY COFER,  
Jr., M.D.,  
Defendants.

Civil Action No. 1:17-cv-00946  
Judge: David A. Faber

**DEFENDANT AMERISOURCEBERGEN DRUG  
CORPORATION’S RESPONSE TO PLAINTIFF’S MOTION TO STAY RESPONSE  
DEADLINE TO MOTIONS TO DISMISS AND OTHER PENDING CASE  
MANAGEMENT DEADLINES (“PLAINTIFF’S MOTION”)**

Defendant AmerisourceBergen Drug Corporation (“ABDC”) objects to Plaintiff’s Motion for the reasons stated below, but does not object to an extension of the deadline for Plaintiff to file its Response to ABDC’s Motion to Dismiss to the same date upon which any contemplated Motion to Remand must be filed, which is 24 February 2017.

Plaintiff received ABDC’s Motion to Dismiss on 1 February 2017. That it waited until the day before its Response was due to file its Motion shows a disregard for the Rules and, frankly, is unfair both to this Court and to ABDC and the other Defendants. Nevertheless, we must proceed.<sup>1</sup>

ABDC can discern no reason why the deadlines established by the Federal Rules of Civil Procedure and this Court in its initial Scheduling Order should be stayed or delayed. The events

---

<sup>1</sup> Responding to Plaintiff’s footnote number one, ABDC shall assume that at some point in the future Plaintiff will, “if necessary,” amend its Complaint or take other acceptable action to “properly name the appropriate Plaintiff.” ABDC respectfully submits that this little technical detail is indeed a necessary part of pleading and must be done. McDowell County may not sue or be sued in its own name and is not properly the “Plaintiff” in this case.

and activities scheduled and required will advance this case on its merits, which ABDC respectfully submits is not “inefficient” or a poor use of the “Parties’ limited resources” as Plaintiff’s Motion suggests.

Plaintiff has chosen to file a Complaint against ABDC that is filled with generalities, outright falsehoods, misstatements, and factually unsupported accusations that are purposely couched in the most hyperbolic, volatile, and inflammatory language possible. And its private contingency fee counsel have further chosen to seek maximum media coverage around that Complaint, accompanied by outrageous and, again, obviously uniformed, false, inaccurate, and purposely inflammatory comments of its attorneys through press releases and public statements. ABDC does not wish to “try” this matter in the media; ABDC wishes to proceed as expeditiously as is appropriate to bring this meritless matter to a conclusion.

As to the sequencing of this Court’s consideration of and decision on the merits of motions that may be appropriately brought before it, ABDC respectfully submits that the order in which this Court addresses and decides those motions will be up to its judgment and discretion. Activities and actions by the Court and the Parties that advance the status of this case toward a resolution on its merits (of which there are none), rather than trial by media attention, certainly serves the interest of judicial economy, as well as fairness and justice.

Accordingly, ABDC objects to Plaintiff’s Motion insofar as it asks for an indefinite stay pending resolution of its promised Motion to Remand, but does not object to the Court granting an extension of the time within which Plaintiff must respond to ABDC’s Motion to Dismiss to and including the date upon which a Motion to Remand must be filed, which is 24 February 2017.

Dated: February 15, 2017

Respectfully submitted,

AMERISOURCEBERGEN DRUG CORPORATION
